

**NUCOR**  
**BAR MILL GROUP**  
**NUCOR STEEL KANKAKEE, INC.**

March 2<sup>nd</sup>, 2010

To whom it may concern,

Dear Customers,

Nucor Steel Kankakee, Inc. operates an EAF (Electric Arc Furnace) melt shop and purchases scrap of recycled ferrous products as our only source of iron. Steel billets are produced in the melt shop and hot rolled into the various sizes of rebar sold, and meets the latest ASTM A615 or A706 standards.

All rebar sold from Nucor Steel Kankakee, Inc. is manufactured here in Bourbonnais, IL, United States of America, and therefore meet the requirements of Section 1605 of the American Recovery and Reinvestment Act of 2009.

We have also passed The American Association of State Highway and Transportation Official's (AASHTO) National Transportation Product Evaluation Program (NTPEP) Audit Program.

Sincerely,

/s/ Curtis Glenn
